

Narcan Overdose Prevention Training

Columbia County Mental Health Center in partnership with the Columbia County Department of Health is offering a free Narcan training (Narcan kit provided).

For more information on how to receive a free Narcan kit, please contact Al White at 518-828-9446 ext. 1235 to schedule a brief virtual or telephone Narcan training session. This training is open to anyone interested in learning how to reverse the effects of a lethal opioid overdose.

Recurring Community Opioid Overdose Prevention Training

Second Tuesday of every month at 10 a.m.

This virtual training is open to community members and will cover the signs and symptoms of an opioid overdose, and how to administer Narcan to reverse the effects of an overdose. This is a free training and each person will receive a Narcan kit.
